Global Cellular Rental Solutions

TravelCell

Government Program

TravelCell is the leading provider of global wireless and data rental solutions for congressman, governmental agencies and departments. Since 1998, TravelCell has provided hundreds of thousands of international travelers with quality rates and service. Our reliable worldwide networks, competitive rates and free incoming calls make TravelCell an easy choice for Federal, state, or local government officials traveling overseas.

TravelCell makes it easy and cost effective to maintain contact with office, constituents, and family members while abroad. To provide the best possible service, we offer full customer support, online billing and ship nationwide.

We understand that the US government is reliant on global communications, and a trustworthy partner who can provide unique and reliable solutions on a consistent basis. TravelCell is that partner and considers the government's business a privilege and would strive to ensure the highest level of service available.

The TravelCell Advantage

- ▶ Lowest rates & best service in over 200 countries
- ▶ Phone & number provided prior to departure
- ▶ Enjoy the security of knowing that you can reach anyone, anytime
- ▶ Avoid hotel phone surcharges & exorbitant rates
- ▶ Car charger, hands free kit, Bluetooth & camera phones available
- ▶ Special group and government travel specials
- ▶ Friendly and professional customer support
- ▶ Unlimited data and internet

Why Register?

- ▶ Government discounts
- ▶ In stock phones
- ▶ Reliable worldwide networks
- ▶ Personal assistance with dedicated sales representative
- ▶ Save money on your international cell phone bill
- ▶ Online billing & detailed itemized bill
- ▶ Over 15 years experience

TravelCell offers the best service in the global wireless phone rental industry. Our thousands of satisfied clients appreciate the courteous and professional customer service we provide.

Products

◀ Local Country Phones

Are you traveling to Italy, France, U.K., Spain, Germany, or other countries? TravelCell can provide a local number and free incoming calls in many popular travel destinations.

◀ Worldwide Phones

Are you traveling to several destinations? TravelCell can keep you connected with our international cellular phones that offer you the convenience of one phone number that operates in over 150 countries.

◀ Satellite Phones

Traveling on a cruise or to a remote region? With our satellite phones you can keep in touch virtually from every corner of the globe. Our satellite phones include free incoming calls and are the perfect solution for cruises, safaris, and adventure travel.

◀ USA/Canada Phones

Are you traveling to the U.S. or Canada? With our USA and Canadian phones you can now keep in touch with unlimited domestic calling. It's the perfect solution for foreign businessmen or foreign vacationers.

◀ USB Internet Air-Cards

Do you need internet access while abroad? With TravelCell's laptop air-card, you can now enjoy unlimited internet access and data usage. It's the perfect solution for internet users on the go.

◀ iPhone/Android/Blackberry Device

Keep in touch with your office, clients, and/or employees via email. With our worldwide unlimited Smartphone service you can send & receive information, browse the internet, enjoy unlimited data, and stay up to date with your social media networks.

◀ SIM/Data SIM Cards

Do you own an unlocked iPhone/Android or GSM phone? With TravelCell you can stay connected with our SIM card chip. Simply insert the SIM card into your unlocked GSM/iPhone/Android phone and receive low rates with free incoming calls and unlimited data in many countries.

◀ iPad

Do you need internet/email access on the go? With TravelCell's high-tech device, you can access all your files, social media and email. It's just 0.34" thin and weighs as little as 1.33 lb. It makes surfing the web, checking emails, watching movies, and reading books natural.

◀ GPS Rental

Never get lost again with a TravelCell GPS! TravelCell makes traveling abroad simple! No matter where you are traveling in the world, TravelCell provides the latest technology to keep you safe and in the right direction. At low rates and quick shipping, TravelCell's GPS is a must.

◀ MiFi

Do you need internet access while abroad? With TravelCell's MiFi, you can now enjoy unlimited internet access and data usage. Use the MiFi with up to 5 devices at one time. It's the perfect solution for iPhone & iPad users on the go.
